## Perfect Spectacles!

During after years of experience, Experiment, and Observation, we have succeeded in inventing a new system of Spectacles, which is now in use throughout the United States.

Now, therefore, I, John M. Palmer, Governor of the State of Illinois, by virtue of law, do hereby proclaim and certify that the amendment aforesaid has become valid to all intents and purposes, as a part of the Constitution of the United States, and is hereby the supreme law of the land, and, as such should be honored and obeyed by the people of the State of Illinois.

In testimony whereof I hereunto set my hand and affix the great seal of the State.

Done at the city of Springfield, the 4th day of April, in the year of our Lord 1870 and of the independence of the United States the 94th.

JOHN M. PALMER.

• SPRING ELECTIONS.

CONNECTICUT DEMOCRATIC.

HARTFORD, April 4.—The election today was quiet. A severe storm prevailed, and it is now knowing.

LATER.—The Democrats have carried the State by a small majority.

CINCINNATI, April 4.—The election passed off quietly and the weather was fine. In the wards polling the greatest colored vote there were notwithstanding persons present to see how the voting progressed, but there was not the slightest indication of trouble. The colored people nearly all voted. There was unusual scratching of tickets, though the colored vote was almost unanimous Republican. Very few arrests were made for illegal voting.

EVANSVILLE, Ind.

EVANSVILLE, April 4.—The election passed off quietly, the negroes voting without molestation in all the wards.

• RAILROAD ACCIDENTS.

On the Mississippi Central.

MURKIN, April 5.—The Southern bound train on the Mississippi Central railroad went through the trestle south of Picket's Station, Friday evening, demolishing the engine, express, baggage and second class car. There were none killed, but several severely wounded. The accident is said to have been caused by defective iron.

On the Hannibal and St. Joseph Road.

CHICAGO, April 4.—The westward bound passenger train which left Quincy Saturday night, on the Hannibal and St. Joseph railroad, met with a serious accident about twenty-four miles west of Quincy. Two passenger cars and one sleeping coach were thrown from the track down a steep embankment and completely demolished. Twenty-five persons were more or less injured two fatally.

SHOT HIM.

NEW ORLEANS, April 4.—Bob Allen, pilot of the steamer Pauline Carroll, was shot and killed by John Vandegrift, also a river man, who surrendered.

RICHMOND, VA.

LATEST BULLETIN FROM THE BATTLE OF THE MAYORS.

RICHMOND, April 5.—General Canby has not yet furnished troops for ejecting Ellison from the city; and the U. S. Marshal is now summoning a large civil posse to demand his surrender. If said posse should fail to obtain possession, it is understood that the general commanding will furnish troops.

The colored people today celebrate evacuation day.
